Special Correspondence.

Centerfield, Sanpete Co., Nov. 10.—Threshing here is about over for this season. Farmers down this way are rejoicing over the good crops they had this year.

Some of the more progressive farmers are putting in fall grain. Mr. Tilton has sowed over 100 acres. O. Borglund 160 acres of wheat and many others are doing the same. Fall grain in this locality has proved a great success.

This place is worth building up. It is in need of more good people. There is plenty of good land, an abundance of water, with good canals and ditches, and fine reservoirs. Good roads are the rule with plenty of good wood in the hills close by.

Some changes have been made recently in the ward, especially in the Sunday school. Some of the elders and seventies have been released from Sunday school. Six elders were ordained last Sunday, viz., S. P. Jensen, Chris Jensen, Loren Jensen, L. C. Myrup, C. A. Peterson and Anthony Christensen.

Richman Jensen, C. H. Christensen, Hans W. Neilson were ordained high priests.
